

Rochester Jan 22<sup>d</sup> 1863.

My Dear Mrs. Garrison,

Your circulars are received, your "Subscription Festival" would not be forgotten by the few here - We believe with you that our labor is needed now as much as at any former period in the history of the Anti Slavery Cause, & I am sorry that any working organization should judge otherwise - Our duties to those in bonds are the same, but our duties to our Countrymen & Countrywomen are somewhat different - we must aid the Government to abolish the Curse so as the most surely to bring Peace, & restore Northern fathers & sons who are in the service of the Country, to their beloved families - We bid you God-speed - our contributions are small, but we wish every city & village would do something - you see

we celebrated the emancipation of three  
millions of the bondmen of our country  
We thank events & the President for  
this great accomplishment - The people  
had <sup>to</sup> strive hard & must persevere to  
the end -

Most sincerely Yours  
Catharine A. F. Stebbins -

To Helen C. Garrison  
Boston

My dear friend, Not so many have  
given as usual, but more may come in  
if so will send on - My love to yourself  
& family - Yours,  
C. A. F. S.
